

Software and design training with **NEW DESIGN SCHOOL**

New Design Center's Makeshops will now be offered through New Design School

Photoshop//Illustrator//InDesign//HTML//CSS//Color//Typography

Makeshops are now offered on a by-request basis. We schedule your makeshop for a time that works best for you or your group between the hours of 10am and 3pm, Monday through Thursday for up to a 2 hour session. *A sample schedule might be 8 hours of instruction taking place on Tuesdays and Thursdays, for two weeks, meeting 10am to noon.*

Three ways and price options for learning!

Individual Training hands-on learning
using our laptops with software **\$50/hour**

This one-on-one training allows us to focus on the exact knowledge you need at the pace you need to get your project completed.

2 to 3 Individuals hands-on learning
using our laptops with software **\$28/hour/student**

This group training allows everyone to cover the same material. It can be tailored to fit the business or organization's needs. Each participant will be provided with a laptop to use during the class.

4 or more Individuals hands-on and lecture learning
using our three laptops with up to 2 students per laptop
combined with lecture-based learning
for students without laptops **\$15/hour/student**

This group training allows everyone to cover the same material. It can be tailored to fit the business or organization's needs. Up to three laptops can be provided for students to share or to choose to just take notes.
